

**ANSTINE/ONSTINE/ENSTINE FAMILY
MILITARY REGISTER**

DATA INPUT FORM

PLEASE NOTE: It is important to the creation of an Anstine / Onstine / Enstine Military Register that we find and expand on any and all family related women and men, living and dead, who have served in the military at any time in the past or are serving in the present. We know that some of our ancestors were Loyalists and some Patriots. That means that some of our ancestors may have served in the British military. Some of our ancestors may have served in the German or French military as we know that a Coat of Arms was awarded by the French. Some of our family may have served in the Canadian forces. We want to know about them **all** – and – if your information is incomplete - - we want as much as you have. Thank for your participation.
